# A GREAT HEART

Through our high school years, some of us are fortunate enough to meet a person who makes a positive impact on our lives. Jack Hannah is that type of person.

Mr. Hannah was born outside Springfield, Missouri, and raised in Visalia, California. He attended Visalia High School, where he participated in sports and music. After graduating in 1952, he enrolled at Fresno State University. While in college, he played three years of varsity baseball, receiving many honors for his outstanding performance. In 1955, he signed his first professional contract with the Milwaukee Braves. He played for the Braves six years before finishing out his baseball career with the California angels.

Mr. Hannah began his teaching career at Hoover High School in 1962, where he taught Physical Education and coached football and baseball for seventeen years. Upon retiring from coaching, he received state and national coaching awards: the 1980 California Coach of the Year for High School Baseball and the 1980 National Coach of the Year for the Southwestern States.

In addition to counseling at Clovis West, Mr. Hannah speaks, sings and is active in Fellowship of Christian Athletes, Hume Lake Christian Camps and Rotary Leadership Training Camps. He composes much of the music he sings and has two recordings to his credit.

Although he maintains a busy schedule, Mr. Hannah's top priority remains his family. He has been happily married 24 years to Linda. They have three children, David, Melinda and Julie.

Anyone who is fortunate enough to know Mr. Hannah has been touched by his kindness and overwhelmed by his dedication to the Clovis West family. This yearbook is dedicated to him as a lasting tribute and a sincere expression of our gratitude and affection.

A large group of high school seniors, approximately 100 students, are posed on a baseball field. They are arranged in a large, loose formation that roughly outlines the shape of a baseball diamond. The students are dressed in casual 1980s-style clothing, including sweaters, t-shirts, jeans, and slacks. The field is green grass with visible white base paths. The lighting suggests a bright, sunny day, with shadows cast on the grass. The overall mood is celebratory and communal.

# KAISER HELPS CONTROL CAMPUS

The Olympiad staff has once again created an outstanding year-book that captures the achievements of the Clovis West student body this year. I have been very proud of the leadership and spirit of the Class of 1984. The 1984 Olympiad should provide many memories for the members of the Clovis West "Family" who have made 1984 possibly the most successful year in our short history.

# AS THE WORLD TURNS

## GOING FOR THE GOLD IN SARAJEVO

Highlighting the sports events in 83-84 were the Winter Olympic Games in Yugoslavia. Outstanding performers for the U.S. included gold medalists Scott Hamilton, Phil Mahre, Debbie Armstrong, and Bill Johnson.

## THAT'S ENTERTAINMENT

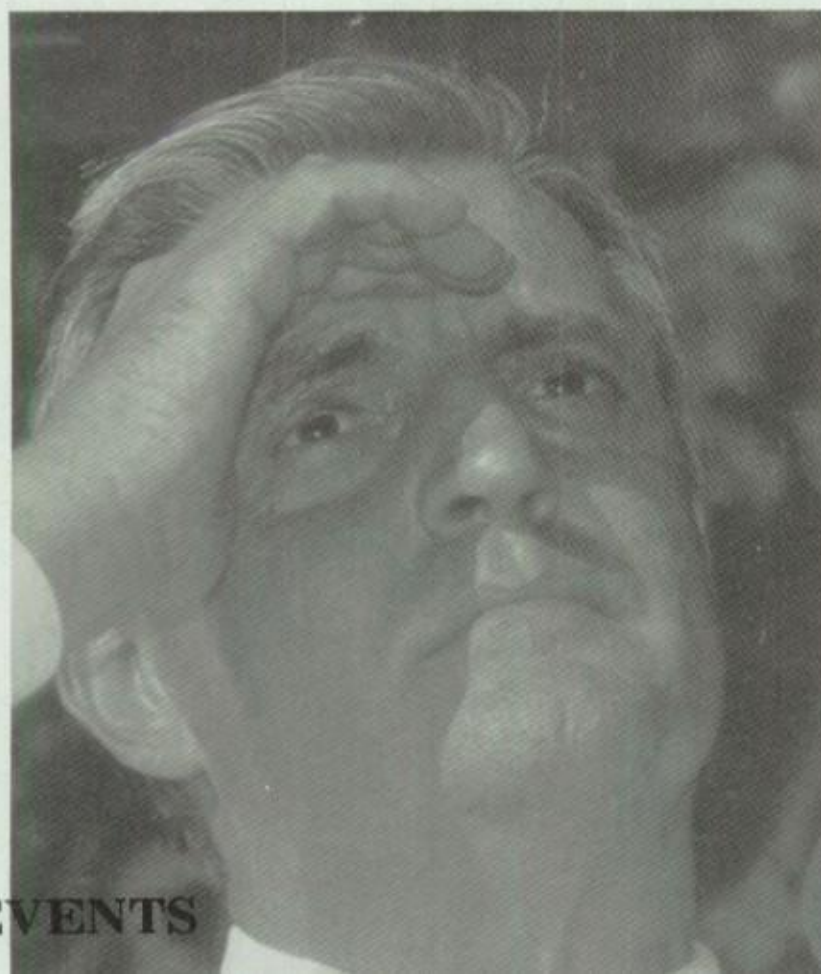

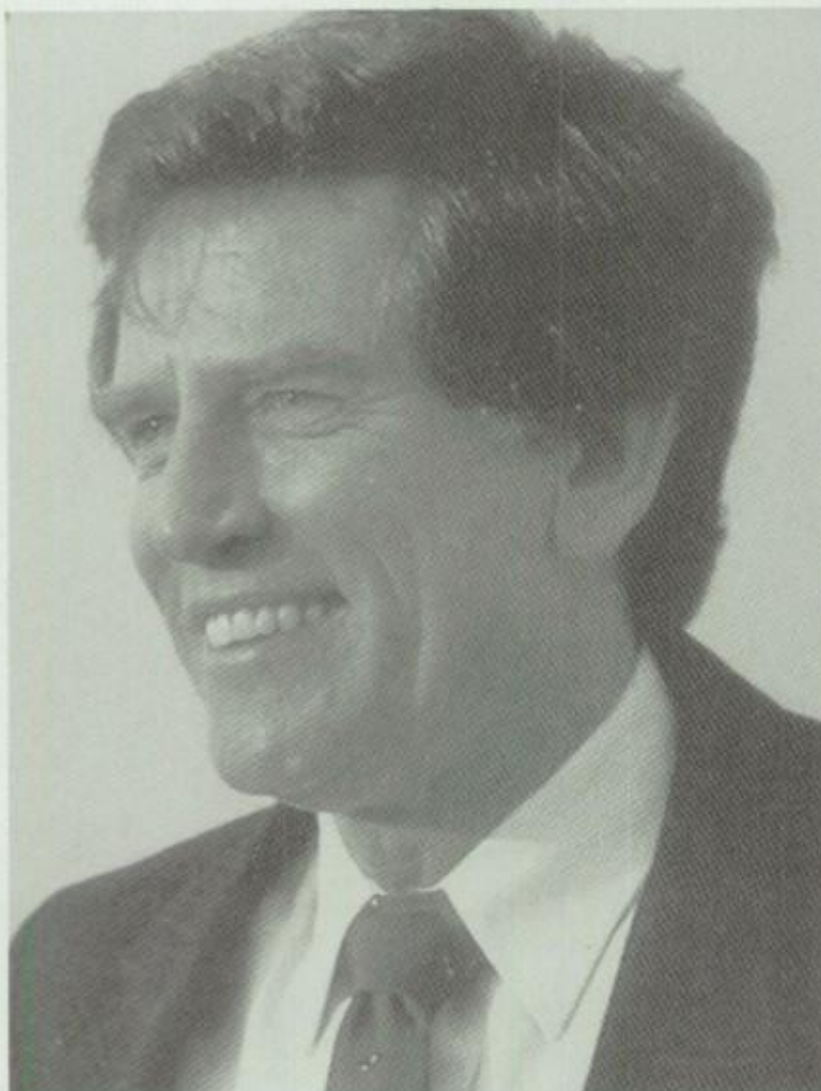

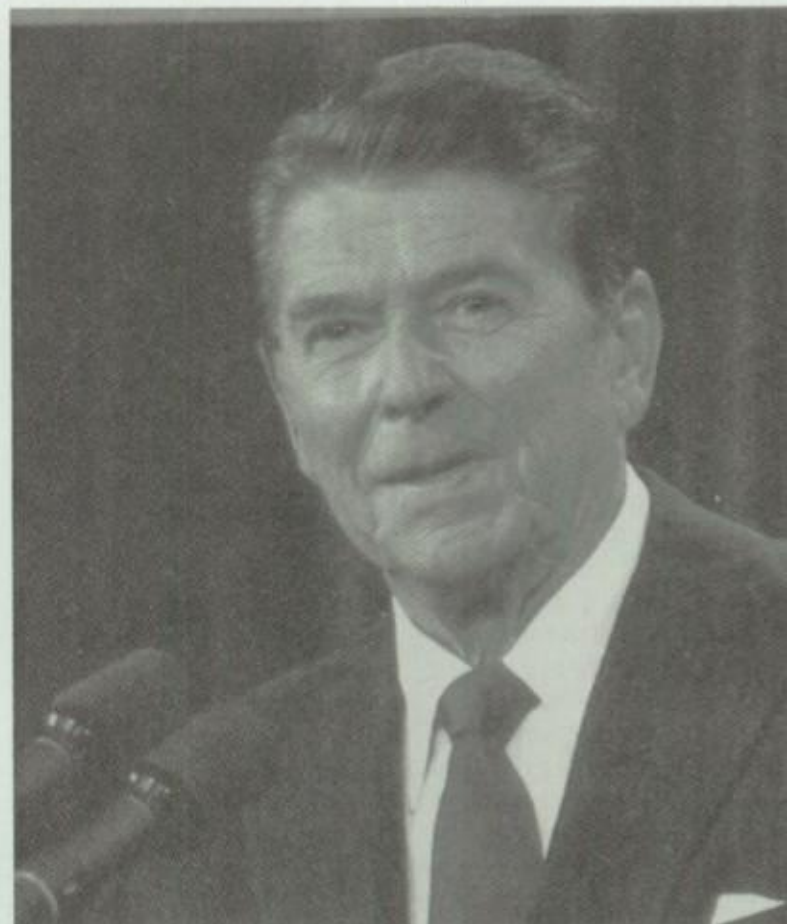

Singer Michael Jackson was a dominate force in rock music and videos, winning major awards for his album "Thriller". Movie highlights of the year included *Terms Of Endearment*, a tender story of a mother and daughter's relationship, and the made-for-T.V. film. *The Day After*, a graphic depiction of the consequences of nuclear war. Rock videos and MTV became a popular new entertainment form. Entertainment also influenced fashion, as Flashdance-style sweats were a hit.

# LEADERS & TRENDSETTERS

Significant events in '83-'84 brought prominent faces - some new, some not so new- into the American limelight. As leader of our nation, President Reagan was in the news constantly facing the challenges of his office. From a pack of Democratic candidates, Walter Mondale and Gary Hart emerged as the serious contenders for their party's Presidential nomination. Rev. Jesse Jackson made history by becoming the first serious black candidate for President. Among significant accomplishments by women was the space ride of astronaut Sally Ride, the first ever by a female in the U.S.

## CONFLICTS & TRAGEDIES

'83-'84 was, unfortunately, the stage for tragic events that shocked the world. Korean Airlines flight 007 was shot out of the sky by Russian military aircraft, killing 209 innocent civilians. While in Lebanon as a peacekeeping force, 241 U.S. servicemen were killed when their barracks was destroyed by a terrorist bomb. U.S. servicemen also saw action on the tiny Caribbean island of Grenada. Attacking at dawn, they removed the Cuban presence from the island. The cost: 19 Americans dead; 144 wounded.

# FADS AND FASHIONS

Our survey shows that boy/girl watching could lead to "Risky Business." Beware! Pat Benatar says, "Love is a Battlefield!"

Slave Day was excellent. The student body had a once in a life time chance to buy the varsity football player of their choice. The boys were all very impressive and the highest bid was made by Janon Keighley for Paul Green for 60 dollars. The girls who bought slaves had a good time dressing them up for school the next day. The slave attire which ranged from dresses and high heels to lipstick and barrettes wasn't good for the macho image, but the guys were great sports. It was a day full of laughter and fun. It was a successful fund raiser for the senior class.

Dressed as "nerds", the student body came to school in a variety of colorful clothing, ranging from high-water pants to inside-out shirts and mis-matched apparel. It was quite a different scene from everyday school. Later that week there was another day which was held in memory of the long-running, hit series, "M.A.S.H." # VARSITY FOOTBALL: WE ARE THE CHAMPIONS!!

Spectacular! Awesome! Amazing! These seem to be the only words to describe the Golden Eagle Football team of 1983. It is their dedication and drive that made them the undisputed NYL Champions, and their determination and pride brought them to the Valley playoffs.

The varsity accomplished many firsts this year. Starting out the season beating San Joaquin Memorial, 41-13, for the first time in the history of CW. More significantly, the Eagles became only the third team in the history of the NYL to go an entire season undefeated. These records are outstanding accomplishments. The hard hitting defense, the rushing and passing of the offense, the experience of the coaching staff, combined with sportsmanship made the Clovis West Golden Eagle Varsity Football team of 1983 the class of the NYL.

The season did not end with the NYL championship! The Eagles marched into and through the first two rounds of the Valley playoffs, defeating Hanford and North of Bakersfield, to face defending Valley champion, Redwood. In this game, the Rangers prevailed, 28-14.

Kudos to Coaches Newberry, Aoki, Biggs, Borjas, Crawford, Deel, Hernandez, and Moxley for taking the Golden Eagles to their finest football season in the history of CW.

The JV's dominated all their opponents on both sides of the ball. Outstanding line play, coupled with talent at the skill positions, proved too much for JV Eagle Opponents.

Winning the NYL Championship was an accomplishment in itself, but going undefeated in NYL is a rarity in any sport. This year, the Golden Eagles were led by juniors Todd Kemp, Daron Craft and Bennett Indart. Todd was named MVP of the NYL and All Metro Teams.

After winning the NYL in '82, the team set goals of repeating as NYL champs and also winning the Valley Championship. '83 was their year! The Golden Eagles can truly say that they achieved their highest goal.

# IN MEMORY OF

## KRISS CRAWFORD BAILEY 1966-1983

Friends, and the relationships we have with them, create the times that make life special and memorable. When a friend leaves us unexpectedly, the void left behind can never be completely filled. The impact of that life however, can perhaps be measured by the enduring memories in the hearts and minds of family and friends that help to fill that void. In that respect, Kriss Bailey's life had a major impact. Thanks for the memories, Kriss. We'll miss you.

# FAREWELL '84!

- MIKE -

YOU ARE A FOOL AND A REAL NICE GUY AT TIMES.  
WHY? WELL I'LL TELL YOU. YOU REALLY MESS'D UP WITH  
ADRIAN. I DON'T KNOW WHY YOU JUST DIDN'T  
GET TO KNOW HER, AND BECOME REAL GOOD FRIENDS  
WITH HER. YOU ALSO HAVE TO LEARN NOT TO  
GET ON PEOPLE'S BACKS. SO MUCH. LEARN  
TO BE COOL AND TAKE THINGS AS THEY  
ARE. YOU HAVE ONLY ONE PROBLEM THAT  
BOthers ME A LOT, AND THAT IS YOU DON'T  
HAVE ANY PERSONAL GOALS. GET INTO A  
SPORT OR A HOBBIE AND LEARN TO BE GOOD  
AT IT AND ENJOY IT WHILE YOU DOING IT.  
WORK HARD OVER THE SUMMER, AND TRY TO  
TAKE ONE HOUR OUT OF THE 3-MONTH  
VACATION TO LEARN YOUR FINGERS ON YOUR  
TUBA. GIVE ME A CALL SOMEDAY EXCEPT ON  
MY WORKING DAYS UNLESS IT'S IN THE  
MORNING (BEFORE 2:00 PM)  
WELL THAT'S IT FOR NOW, TAKE IT EASY  
AND SO FOR YOUR PERSONAL GOAL.

WATER DAZE,

P.S. AS SOON AS I GET MR. FRANCO  
MY TUBA I'LL JAM ON  
OVER TO YOUR HOUSE.

Dear Mike (Bozo) Cardoza  
Without me you  
wouldn't be famous.  
Keep in touch  
with Nancy.  
You can just call  
the Money Hotline.  
at 293-4575.  
your friend,  
Richard  
Mason

Class even though bekwoods

summer. see you next year  
Alan Wong

-Mike-  
I will probable  
see you every day  
of summer. But have
